

## Metrodeck (updated October 2006)

The theatre has 14 pieces of 2m x 1m Metrodeck and 2 pieces of 1m x 1m.  
There are also a range of stock treads: 5' x2, 4' x2, 3' x4, 2' x2.  
These can be bolted together to produce additional 6' and 7' treads.  
10 scaffolding treads are also available.

The nominal leg length includes the height of the deck,  
i.e. the top of a piece of deck on "1 foot" legs will be at 1 foot.

Nominal Length	Made of	Actual mm	Number	Colour
6"	Ally	124	32	Black
