RADIO MICS

The ADC owns four Sennheiser 1083-V and two Trantec 3500 VHF Radio Microphones, which are available to productions for a fee (currently £25 per unit per week). All beltacks are fitted with Sennheiser MKE-2 capsules. They are on site-licensed frequencies, and therefore cannot be used outside the ADC without an additional licence. For more information, please contact the ADC management. Additional frequencies are also licensed for use at the Theatre – contact the management for details.

DIRECT INJECTION BOXES

5x Stereo units
