(Updated 04/12/20 ES)

The ADC Theatre has a collection of stock decking, deck legs, and treads (stairs). These can be used for any show at the ADC or Corpus Playroom free of charge, and some items can be hired for shows elsewhere.

The theatre also has 2 x 2m x 1m 'Metrodeck' in its hire store, which can be hired for use by non-ADC shows. Please contact technical@adctheatre.com to inquire about hiring fees, or if you are an internal show and would like to reserve it for your show week.
