<u>Chairs</u>					
2	Brown Leather Armchair	Doug's Boudoir	A1-2		
1	Large Patterned Armchair	Upper Terrace	A3		

1	Black Leather Office Chair	Beast's Roof	CHA1		<p>A fairly new swivel chair – the chair can spin, but the castors have been replaced with blocks of wood to prevent it rolling about freely on stage.</p>
1	Red/Orange Cushioned Chair	Doug's Boudoir	CHA2		<p>This was initially bought as a hospital visitors chair, so has that kind of school/hospital office feel to it – has previously been covered with different fabrics/colours, so some potential for reupholstering, just ask Lucia!</p>

6	Brown Wooden Chair with Green Cushion	Balcony	CHA3-8				
6	Black Wooden Chair	Beast's Roof	CHA9-14				5 identical chairs plus 1 with a slightly different frame – can bear weight but won't be able to take lots of bashing about so please be sensible!

1	Chair with Red Velvet Cushion	Balcony	CHA15				<p>This has been reupholstered a few times, so there is some flexibility with the design – you could use a different coloured fabric if necessary, just run it by Lucia first!</p>
3	Brown Wooden Chair with Red Leather Cushion	Balcony	CHA16-18				

2	Silver Metal Folding Chair with Black Cushion	Upper Terrace - Hooks	CHA19-20				
4	Brown Wooden Chair	Balcony	CHA21-24				

2	Black Metal Folding Chair	Balcony - Hooks	CHA25-26				
1	Bar Stool with Black Leather Cushion	Doug's Boudoir	CHA27				<p>Different frame design to other bar stool, but could potentially be covered with the same fabric if they needed to match in terms of surface-level aesthetics!</p>

1	Bar Stool with Red Leather Cushion	Doug's Boudoir	CHA28			<p>Different frame design to other bar stool, but could potentially be covered with the same fabric if they needed to match in terms of surface-level aesthetics!</p>
1	Small Stool/ Foot stool	Beast's Roof	CHA29			<p>This is very small! Quite a modern look to it, but could potentially be covered with a different fabric or woodstained to look older – let Lucia know if this is something you'd like to do!</p>

2	Deckchair	Doug's Boudoir	CHA30-31			
1	White Wooden Rocking Chair	Upper Terrace - Shelf	CHA32			

1	White Metal Garden Chair (matches table)	Doug's Boudoir	CHA33

2	Curved Wooden Chairs with Purple Cushions		CHA36-37		 A photograph of a wooden chair with a curved backrest and a purple cushion. The chair is made of light-colored wood and has a spindle back. It is positioned in a room with a concrete floor and a wooden wall in the background.

**Tables**

3	Bar Tables	Upper Terrace	TAB1-3				
1	Small Wooden Side Table	Upper Terrace - Shelf	TAB4				This is SMALL and SQUARE – very much a side table

1	Brown Wooden Side Table	Upper Terrace - Shelf	TAB5			<p>This is STILL SMALL but more RECTANGULAR – very much a side/coffee table <u>and not a full size dining table!</u></p>
1	Low Brown Wooden Table	Upper Terrace	TAB6			

1	Medium Square Brown Table	Upper Terrace	TAB7			
1	Small White Wooden Side Table	Upper Terrace - Shelf	TAB8			

1	Medium Low White Table	Beast's Roof	TAB9		
1	Black Wooden & Metal Desk	Beast's Roof	TAB10		<p>Not a full-sized dining table, but about as close as we have – pretty lightweight and sturdy, can comfortably fit two people on each long edge and one at either head.</p>

1	White Wooden Desk	Beast's Roof	TAB11		<p>Not a full-sized dining table, but about as close as we have – pretty lightweight and sturdy, can comfortably fit two people on each long edge and one at either head.</p>
1	Brown Wooden Desk	Upper Terrace	TAB12		<p>Office desk – sturdy but a bit worn, could use some love!</p>

1	White Metal Garden Table (matches chair)	Doug's Boudoir	TAB13			<p>This has been spray-painted white (it used to be green), so may need a bit of a touch up depending on how recently it has been used!</p>
1	Blue Metal Bistro Table (matching chairs)	Doug's Boudoir	TAB14			<p>If you would like the full set, please make sure to select both the table and chairs on the form!</p>

**Beds**

1	Brown Wooden Single Bed (needs assembling)	Lower Terrace	BE1		There is also a single mattress available for usage in the furniture store – unless, told otherwise, Lucia will assume that you would also like to use the mattress if you have booked this bed!

**Miscellaneous Furniture**

4	Black Wooden Crate				<p>These are all weight-bearing, and generally more sturdy than the black chairs</p>
1	Fireplace	Upper Terrace	MIS1		<p>Removable “fireplace” which fits inside the wooden frame – quite small so gets a bit lost on the ADC stage, but works well in Corpus. Please let Lucia know if you would like to use one unit without the other (e.g. build a bigger frame around the fireplace)!</p>

2	Brown Wooden Bench	Upper Terrace	MIS2-3		
1	Black Metal Bench	Beast's Roof	MIS4		<p>Not really the full length of an outdoor bench – can fit three people max.</p>

1	Metal Dustbin and Lid	Lower Terrace	MIS5			
1	Sink Unit	Upper Terrace - Shelf	MIS6			Custom built set piece with sink in – facing on three sides, exposed at the back

1	Hob/Stove-top	Upper Terrace – Shelf	MIS7		<p>Hob with four burners (extra bits which screw on not pictured) – currently loose/free so could be built into a unit.</p>
1	Medium Easel	Upper Terrace	MIS8		

1	Red Leather Sofa	Lower Terrace	MIS9		<p>This has been used <u>a lot</u>, as you can see from the worn out leather cushions – there is no easy way to reupholster the whole thing, but it looks just as good with blankets/ cushions thrown over it to hide most of the wear/tear.</p>
1	Black Chalkboard (6'x4')	Sheet Wood Rack (under 'Theatre')	MIS10		<p>Designed to be mounted on a wall</p>
