

## ADC Technical Information - Changelog

This document lists changes to the webpage [www.adctheatre.com/technical](http://www.adctheatre.com/technical) that are older than 3 months.

- (19/07/2021) **Tab Stock** updated to reflect actual stock
- (19/07/2021) **Default DMX Patch** updated to accommodate new lanterns
- (19/07/2021) **Radio Mic Frequencies** updated to a new plot that has been coordinated with nearby RF users. All receivers have been calibrated to this. Do not change them without checking with the Technical Manager
