

Stock Flats

Last updated 07/01/26 by CHTJ

The ADC Theatre has a collection of stock flats. These can be used for any show free of charge. Contact the Technical or Production Manager to book flats for your show.

It is not possible to screw into the front of stock flats or modify them in any way. The Theatre also has a range of stock French braces and stage weights for supporting flats.

Height	Width	Type	Material	Comments
8'	4'	Normal	Ply	
8'	4'	Normal	Ply	
8'	2'	Normal	Ply
